I have a zip file of the harassments from LinkedIn messaging, facebook, text messaging, and other forms of social media by [REDACTED] and [REDACTED]. [REDACTED]'s two friends, [REDACTED] [REDACTED] tried contacting/requesting to be my friend on Facebook after I blocked [REDACTED] on everything. I added pictures of their profiles and their connection [REDACTED], which is they all work together [REDACTED].

[REDACTED]
[REDACTED]
[REDACTED] She was harassing me, making false accusations, and threatening my job at Weston and Sampson.

These are all the harassments I have received to date. Yesterday at the Victim's Advocate in Dorchester County, SC I sent an email in front of Mrs. Fisher (Victims advocate) telling [REDACTED] to stop (picture included).

To stop future harassment, I changed my Instagram username [REDACTED] I changed my name on Facebook to [REDACTED]

[REDACTED] I talked to an officer with PCode 6193 who was asking me about my social media accounts and I wanted to make you aware that I changed them to prevent future harassment.
